

Adult Choking Reference

Fictional protected-document fixture

NOT CLINICAL GUIDANCE

This file exists only to test secure delivery.

It intentionally contains no treatment algorithm, assessment criteria, or clinical instructions. Do not use it for education or patient care.

Fixture purpose

- Confirm that private objects are not publicly accessible.
- Confirm that authorized users receive a short-lived signed URL.
- Confirm that access authorization and issuance are audited.
- Confirm that protected responses are not stored in application caches.

Immutable fixture identifiers
